## Volunteers needed for Open House 2001

Open House 2001 is only a few weeks away. Planning and preparations for this tremendous event, which happens Saturday, Aug. 25, are well under way as the people of JSC and its off-site support teams prepare to host more than 100,000 guests.

As the event draws ever near, a need has arisen for more volunteers who are fluent in Spanish. Other language talents are potentially useful as well. Open House organizers are asking those who are willing and able to act as interpreters to please sign up. There are available positions in each of the following areas:

- ❖ Information Booths    ❖ Cafeterias
- ❖ Teague Auditorium Children's Events    ❖ Clinic
- ❖ Lost Child And Parents Center    ❖ Benefits of Space Exhibit Trailer Docents

All volunteers are encouraged to attend Open House training in the Teague

Auditorium. New information and operating methods will be discussed at that time. The training dates and times available are:

- ❖ Aug. 7 from 9-10 a.m.    ❖ Aug. 14 from 10-11 a.m.
- ❖ Aug. 9 from 1-2 p.m.    ❖ Aug. 16 from 2-3 p.m.

Look for Open House posters and flyers displayed in Clear Lake area businesses. Please complement the business owners, managers and staff for their support. Our community continues to be extremely active in their unceasing support of JSC and its mission. We look forward to having them as our guests.

To volunteer for staffing, contact C.C. de la Garza at x31033 or register online at: <http://www4.jsc.nasa.gov/scripts/openhouse/index.cfm/>
